

**BALL
VALVE**

SANSECO VALVE (SHANGHAI) CO., LTD.

The Best Value-Quality, Service & Pirce-All the Time

a) Pneumatic Trunnion Mounted Ball Valve

b) Trunnion Mounted Ball Valve

c) High Temperature Metal Seated Trunnion Mounted Ball Valve

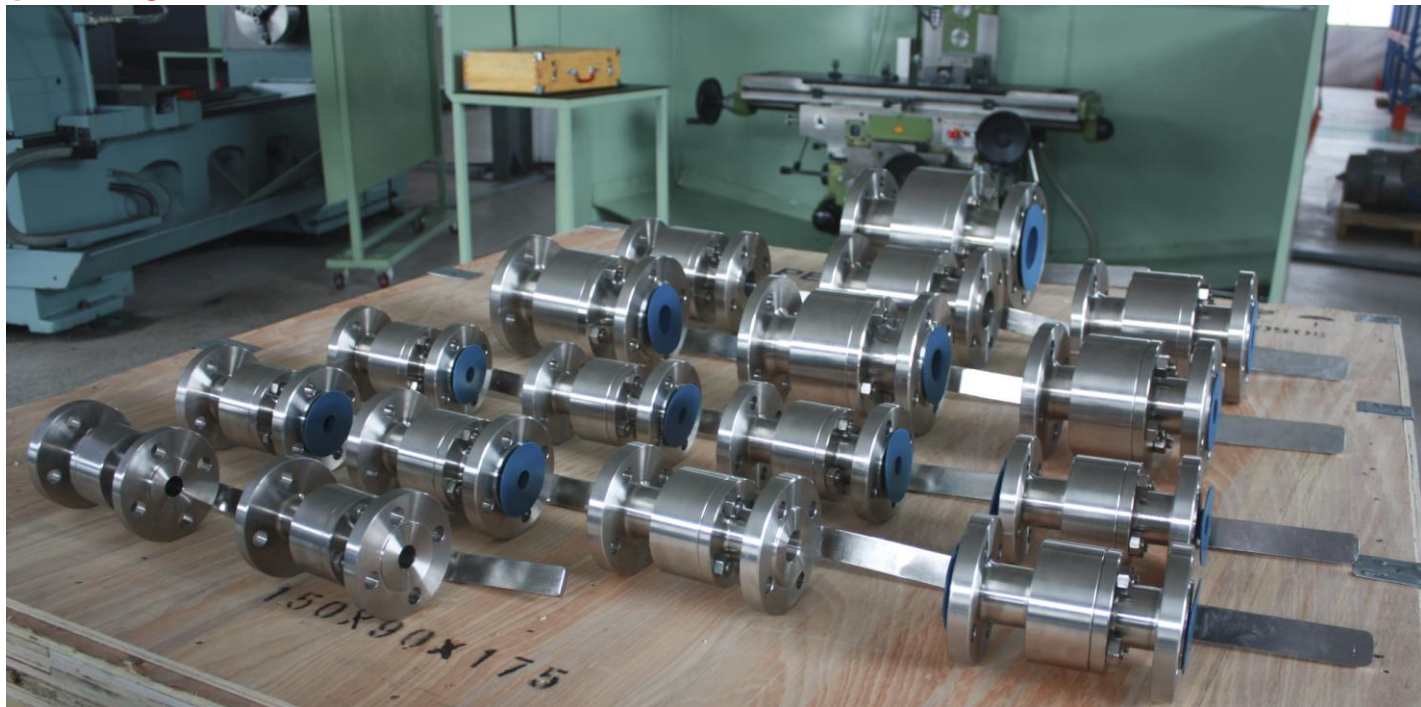

d) Trunnion Mounted Ball Valve

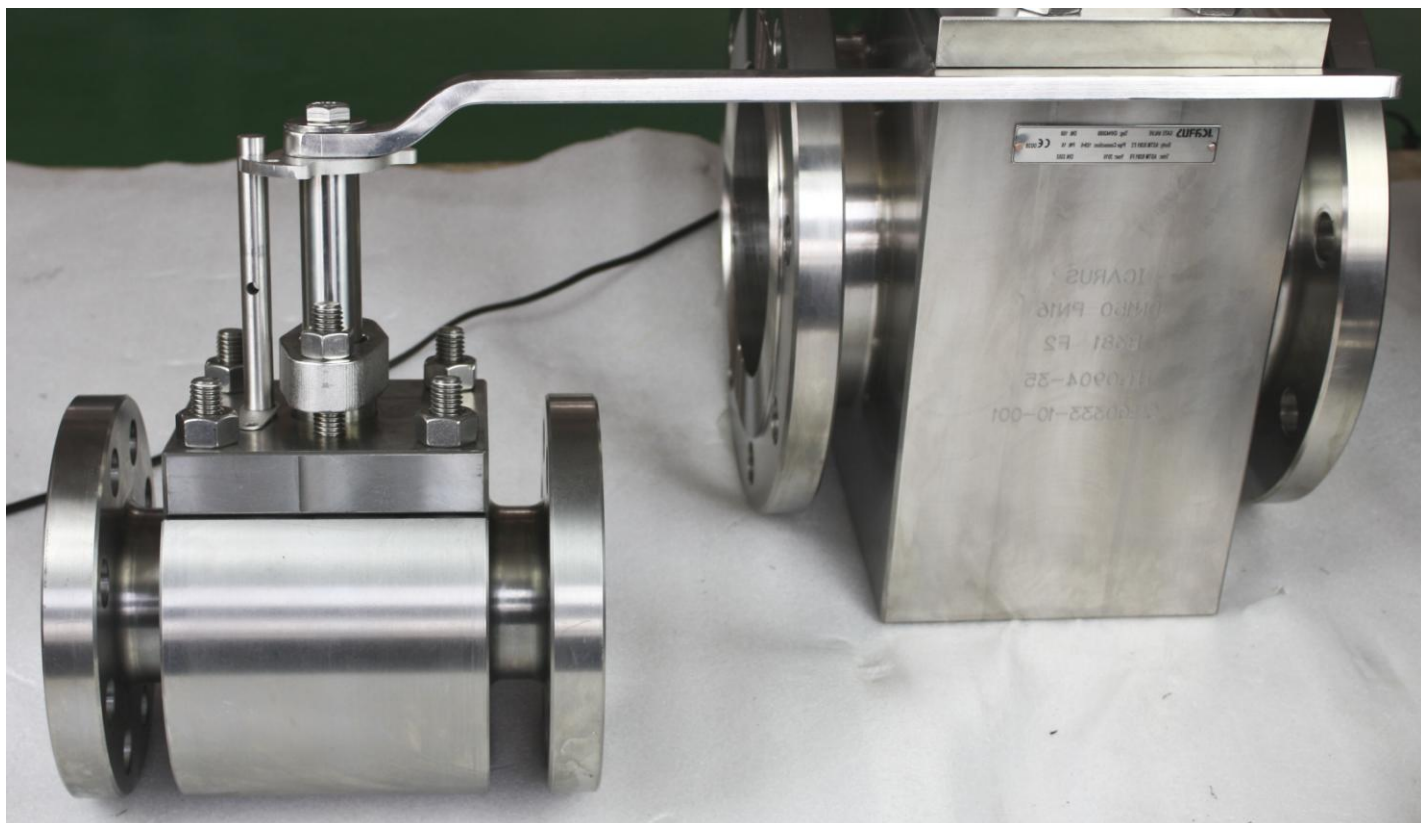

e) Pneumatic Floating Ball Valve

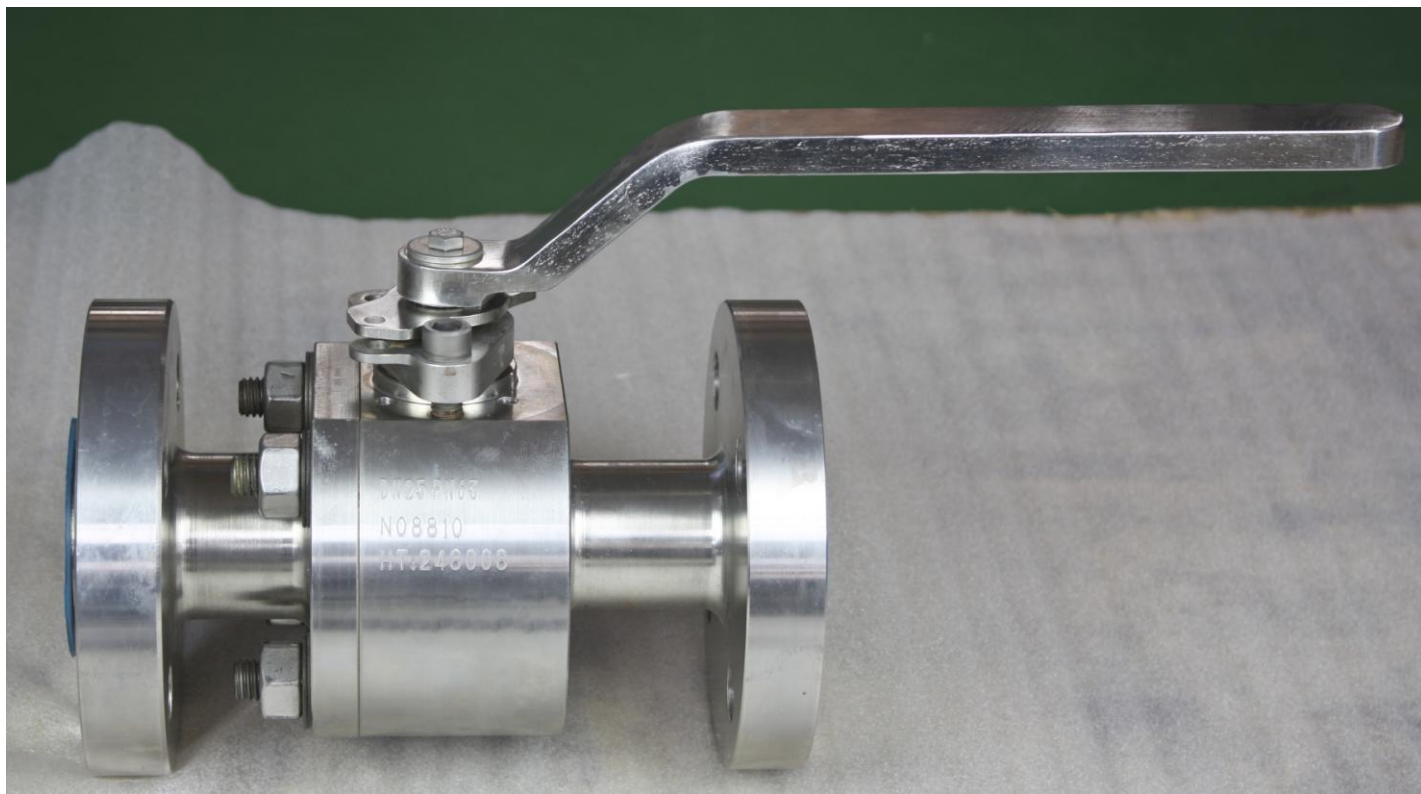

f) Floating Ball Valve with Lever

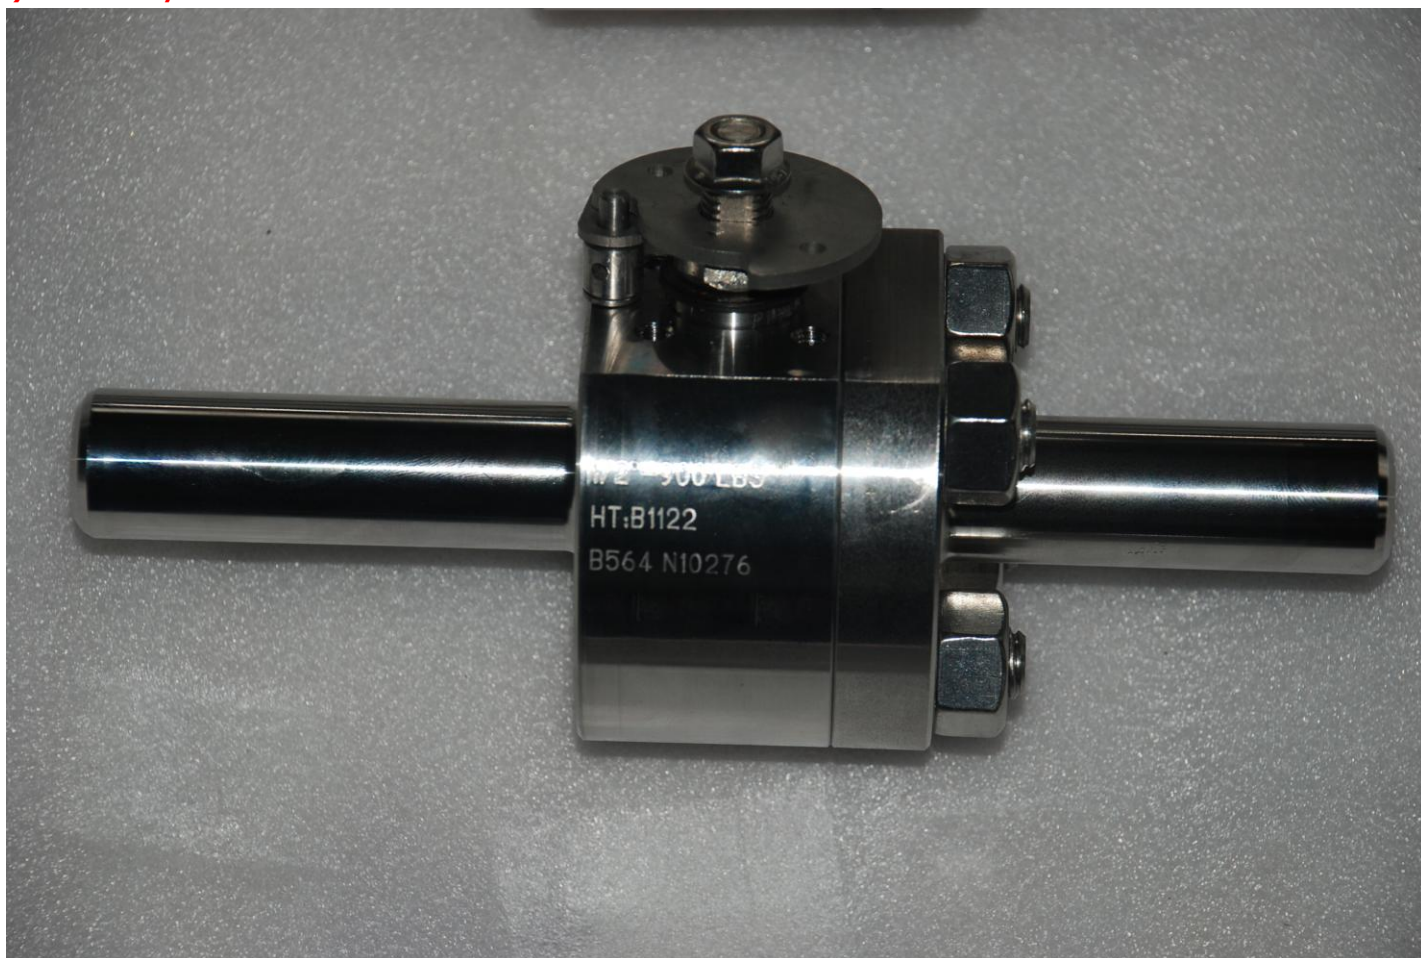

g) Zirconium Ball Valve

h) High Temp, Metal Seated Floating Ball Valve

i) Hastelloy Ball Valve

j) Assembly and Adjustment

GATE

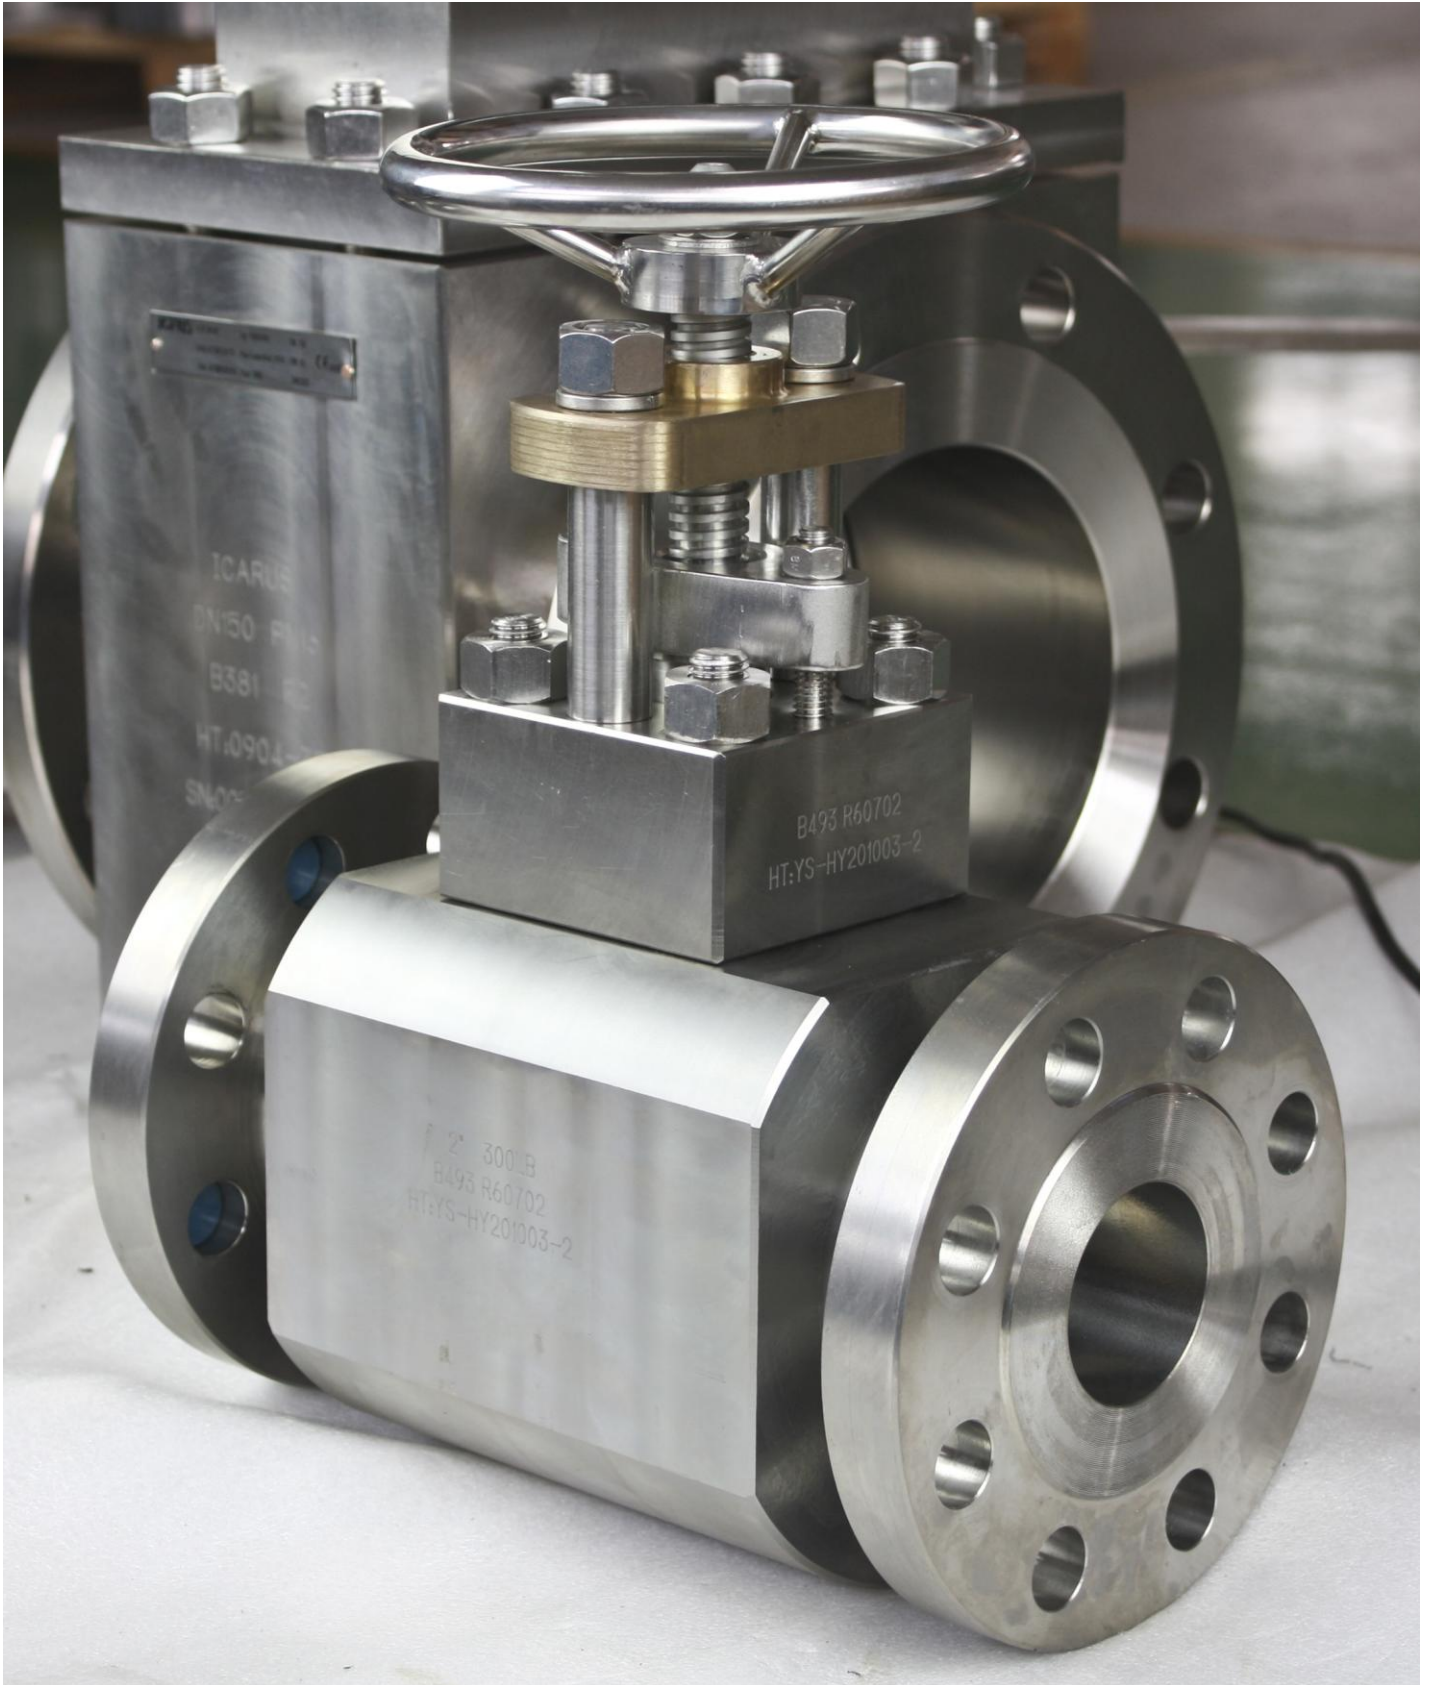

GLOBE

CHECK

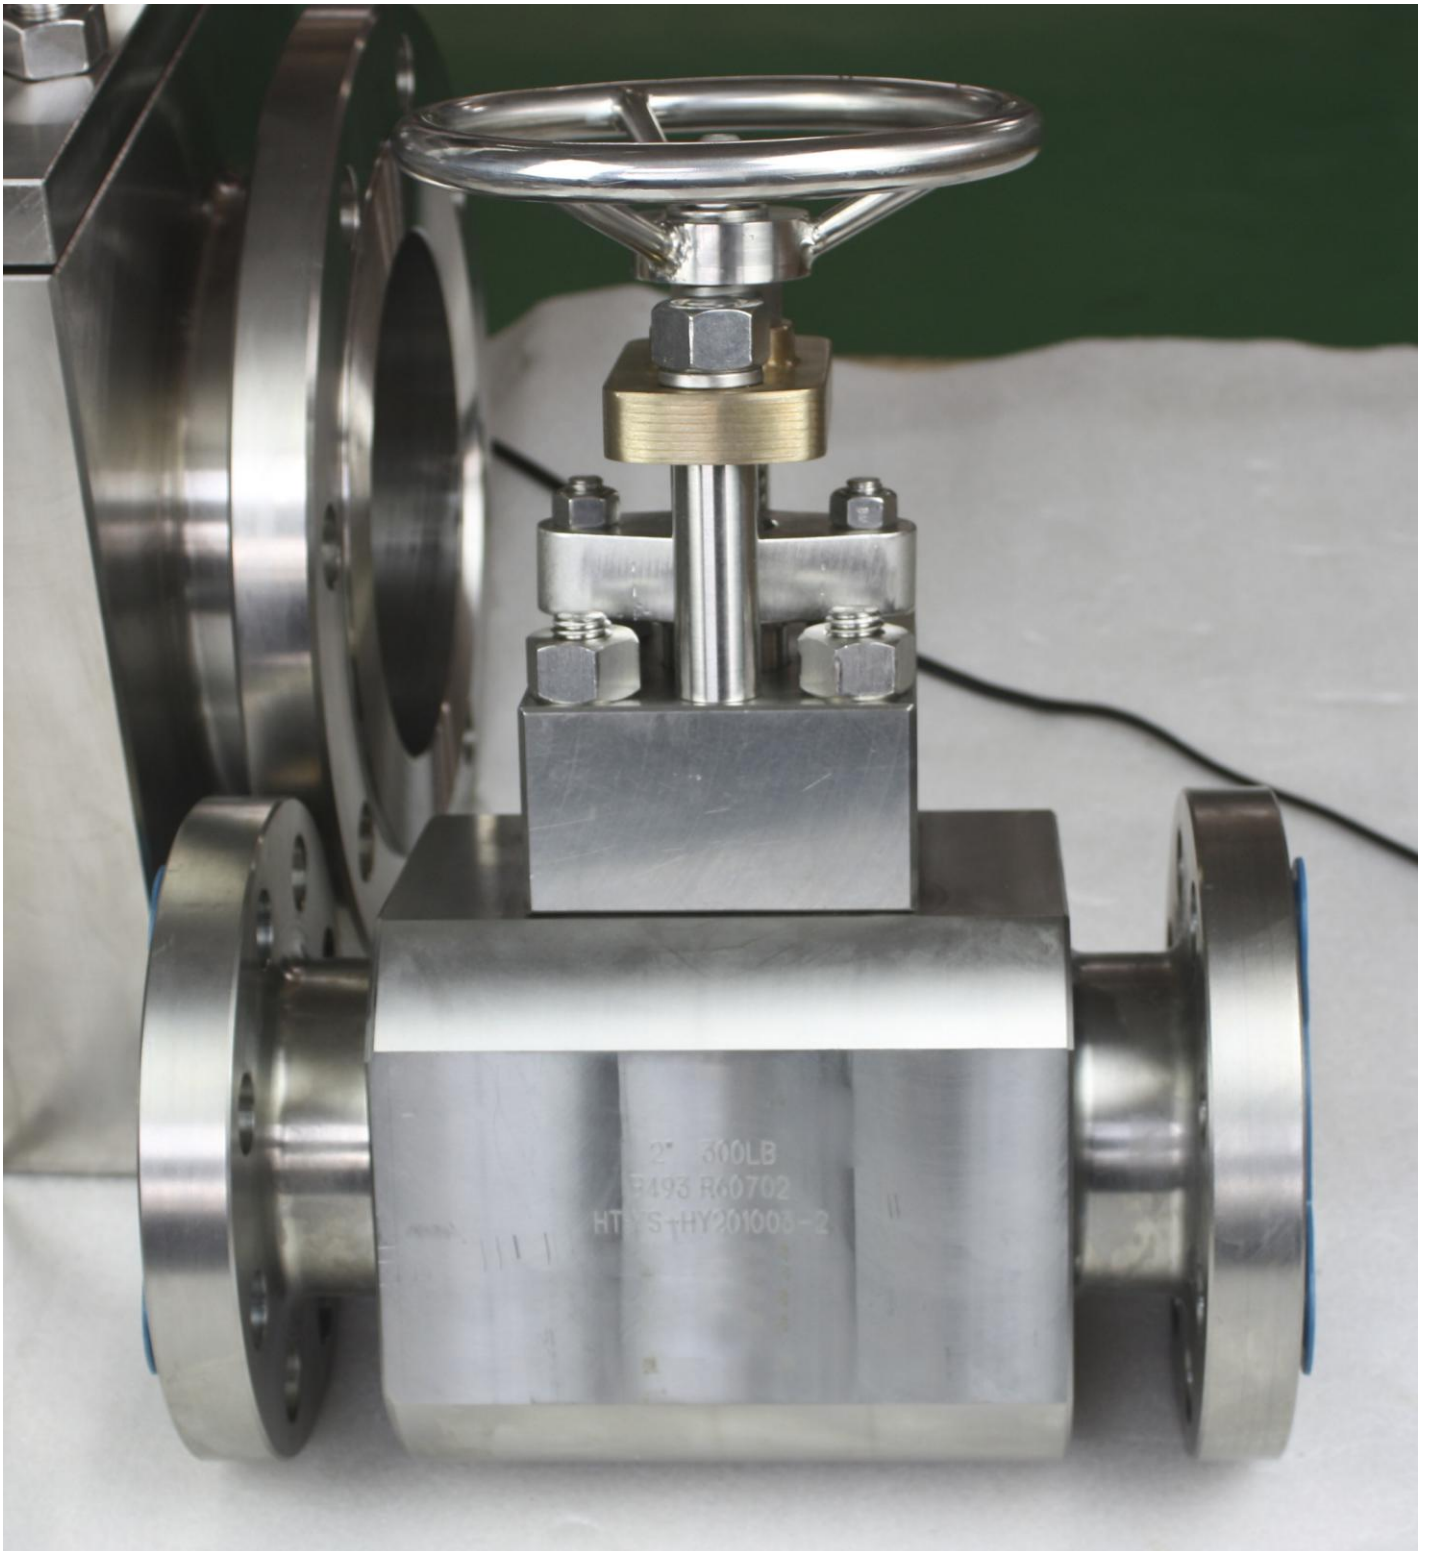

SANSECO VALVE (SHANGHAI) CO., LTD.

The Best Value-Quality, Service & Pirce-All the Time

a) Zirconium Globe Valve

b) Zirconium Globe Valve

c) Zirconium Globe Valve

d) 2500LB-Globe & Check Valve (LF2 Material)

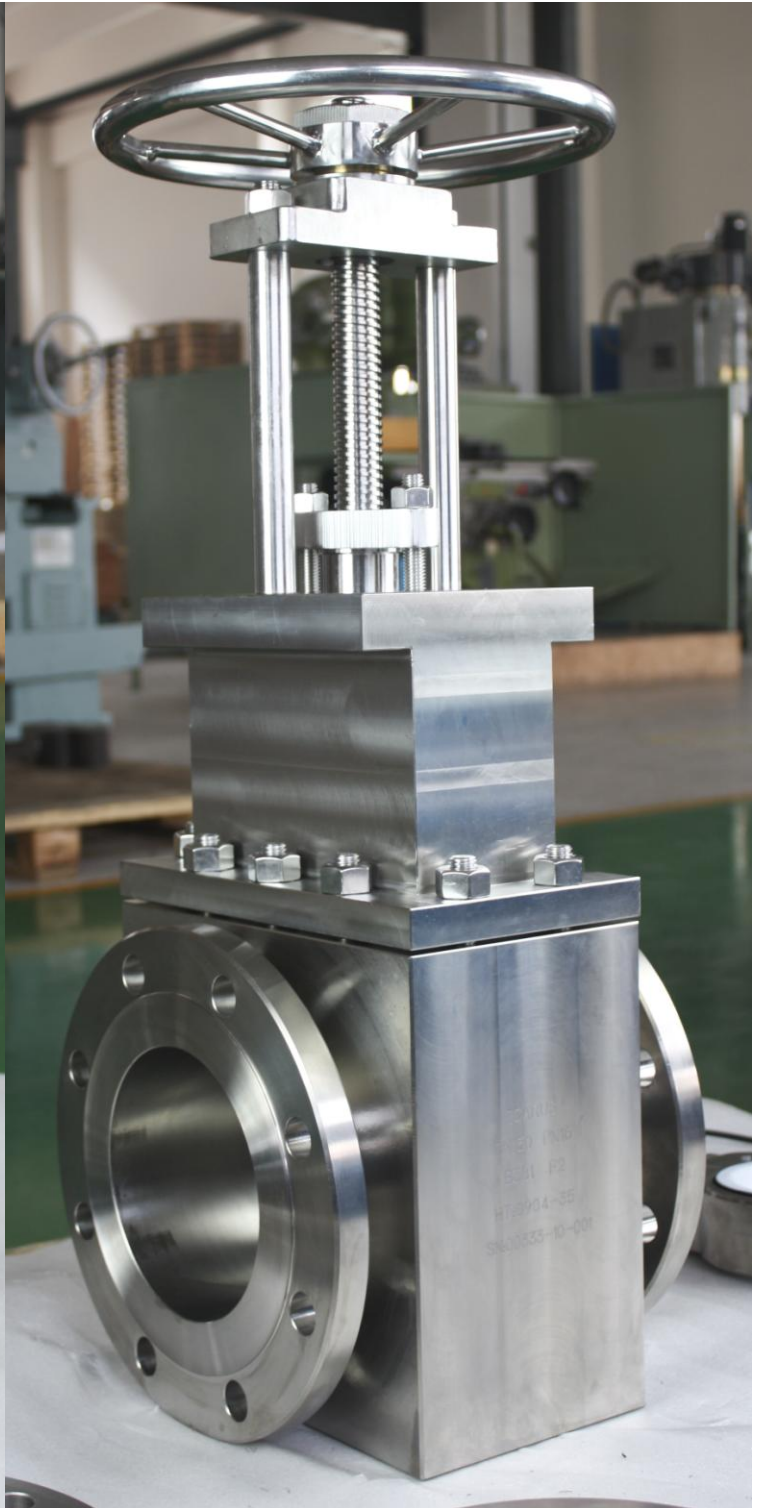

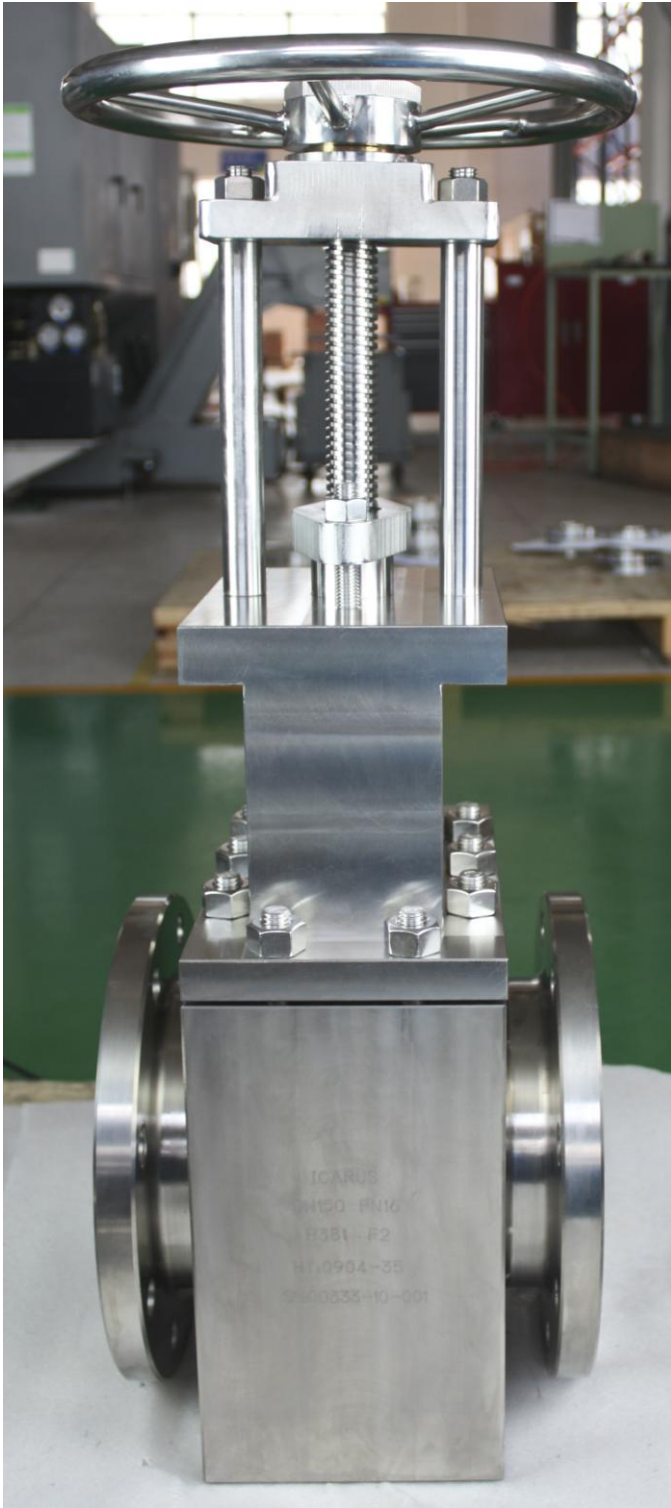

e) Titanium Check Valve

f) Pneumatic Gate Valve

g) Titanium Gate Valve

h) Zirconium Check Valve

i) Pressure Seal Valve

j) 10"-900LB-Angle Globe Valve (Alloy C276 Material)

k) Assembly for Valve With Special Material

l) Assembly for Valve With Special Material

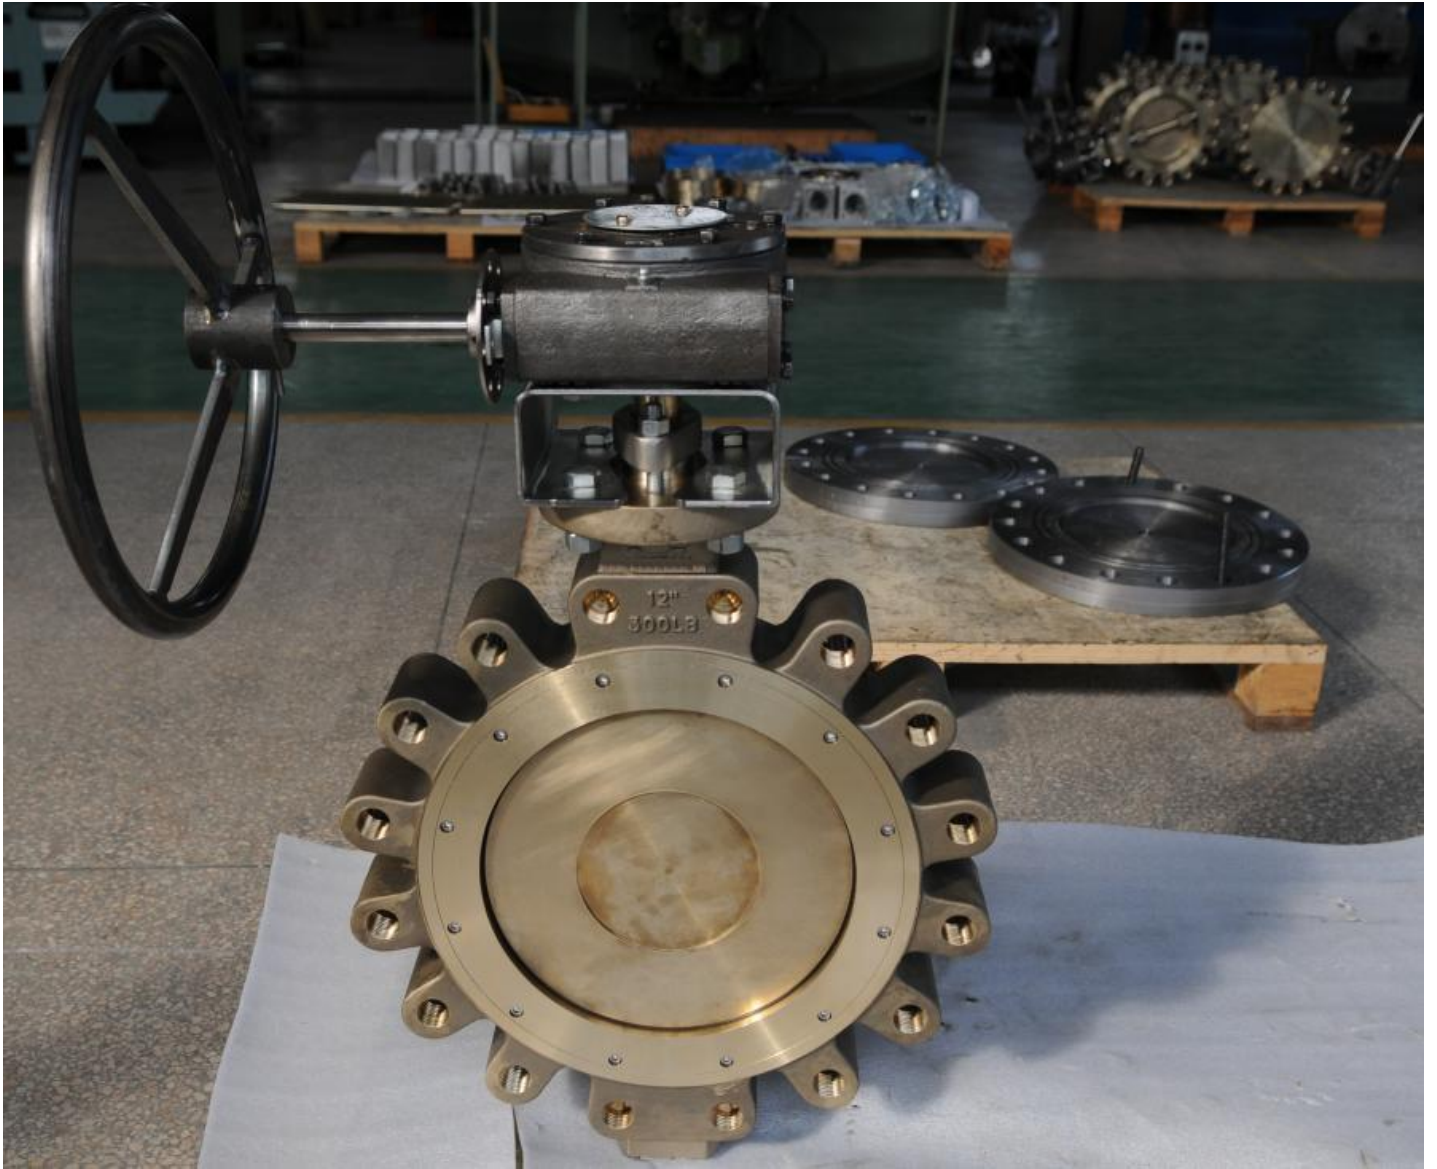

BUTTERFLY VALVE

SANSECO VALVE (SHANGHAI) CO., LTD.

The Best Value-Quality, Service & Pirce-All the Time

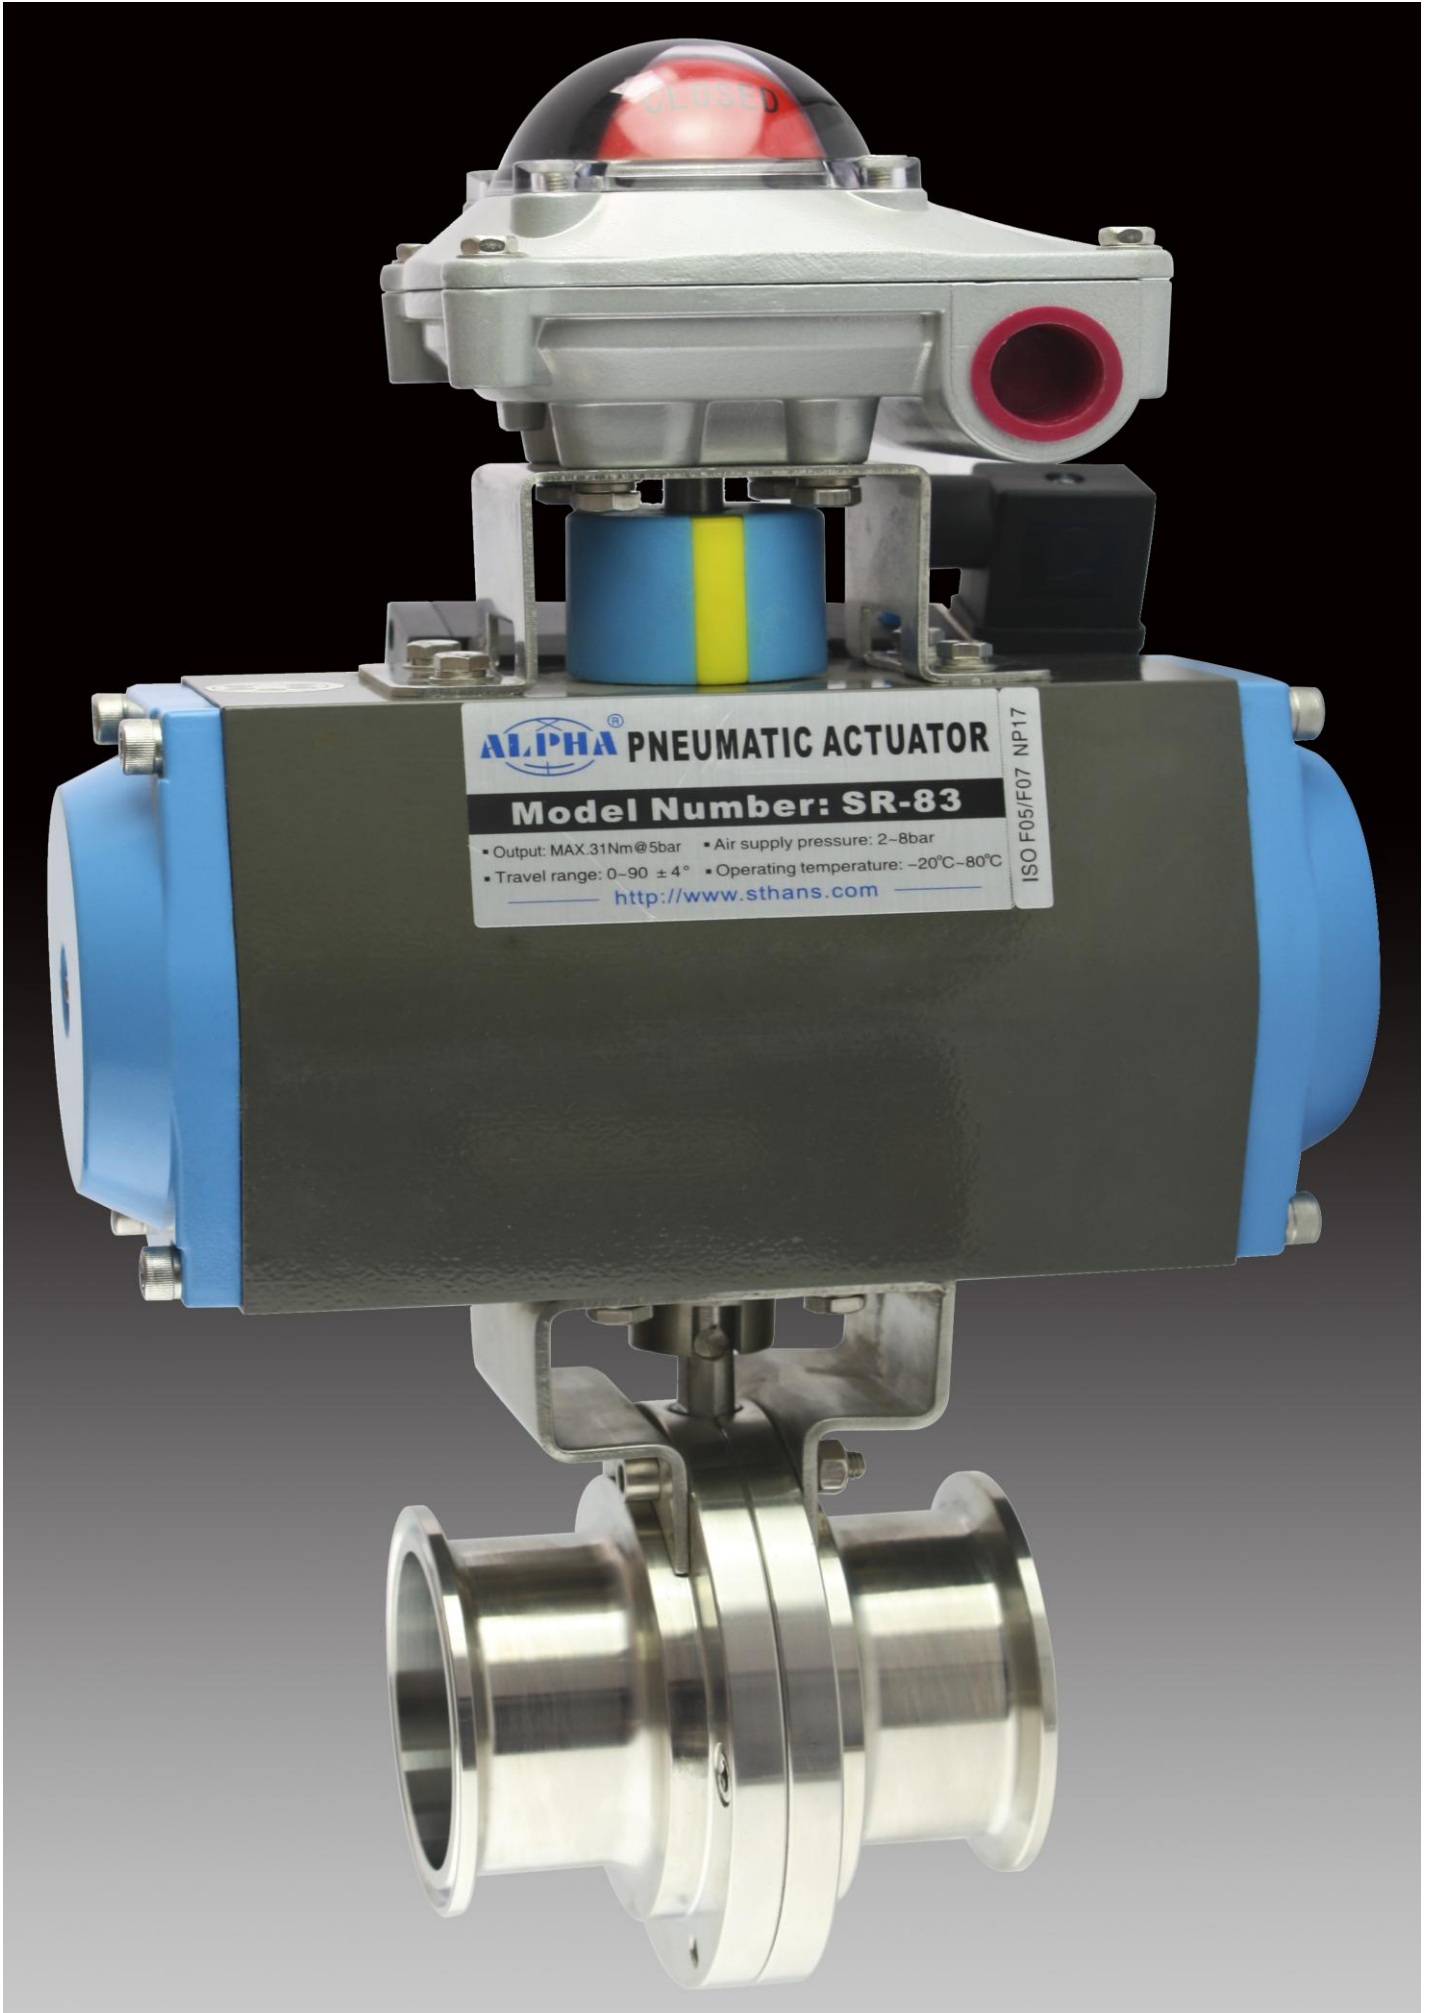

a) Nickel Aluminum Bronze Butterfly Valve

b) Titanium Butterfly Valve

c) Butterfly Valve

SPECIALTY VALVE

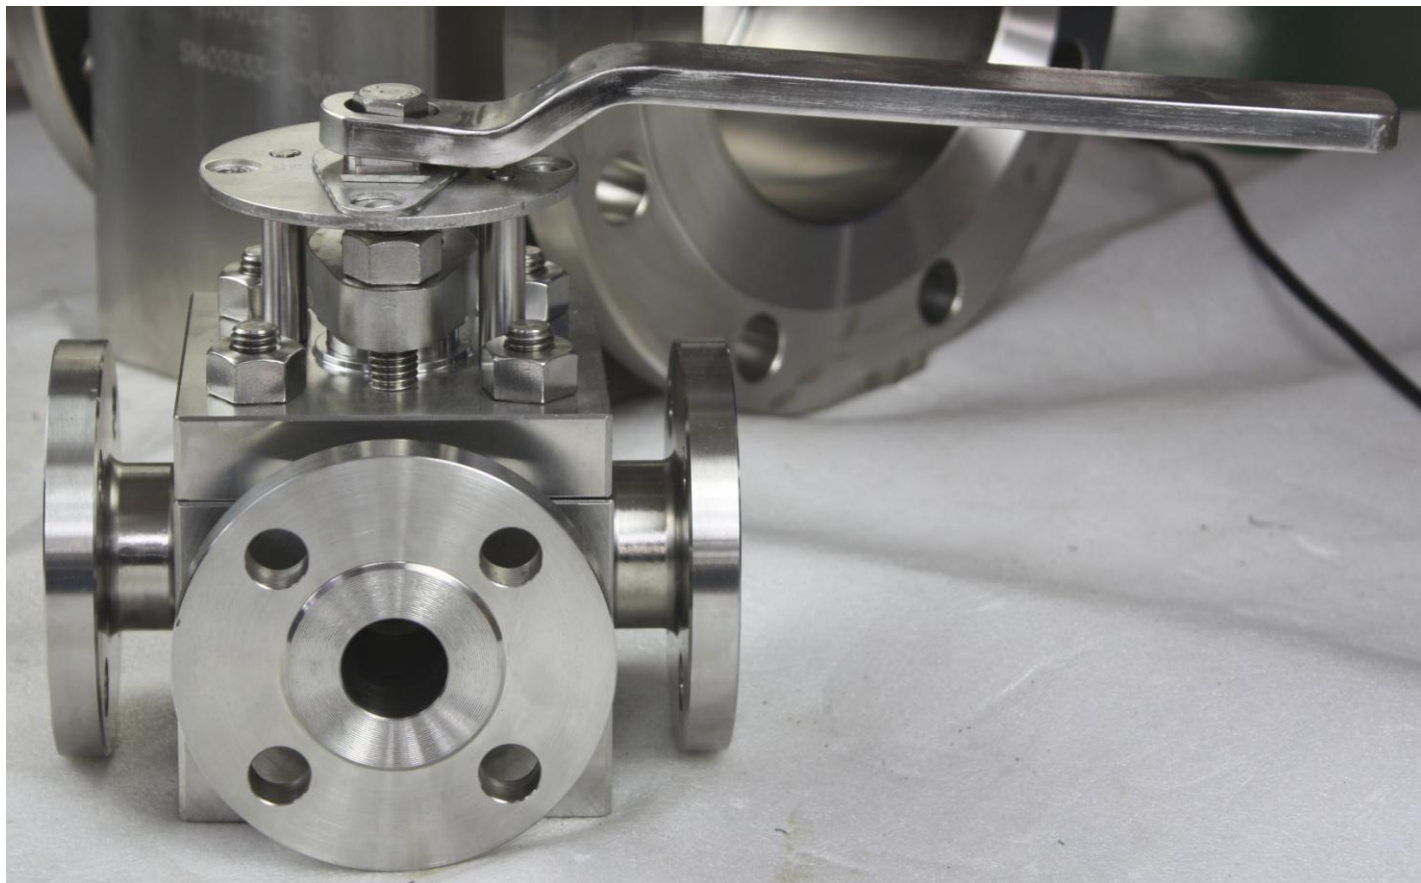

SANSECO VALVE (SHANGHAI) CO., LTD.

The Best Value-Quality, Service & Pirce-All the Time

a) Sampling Valve

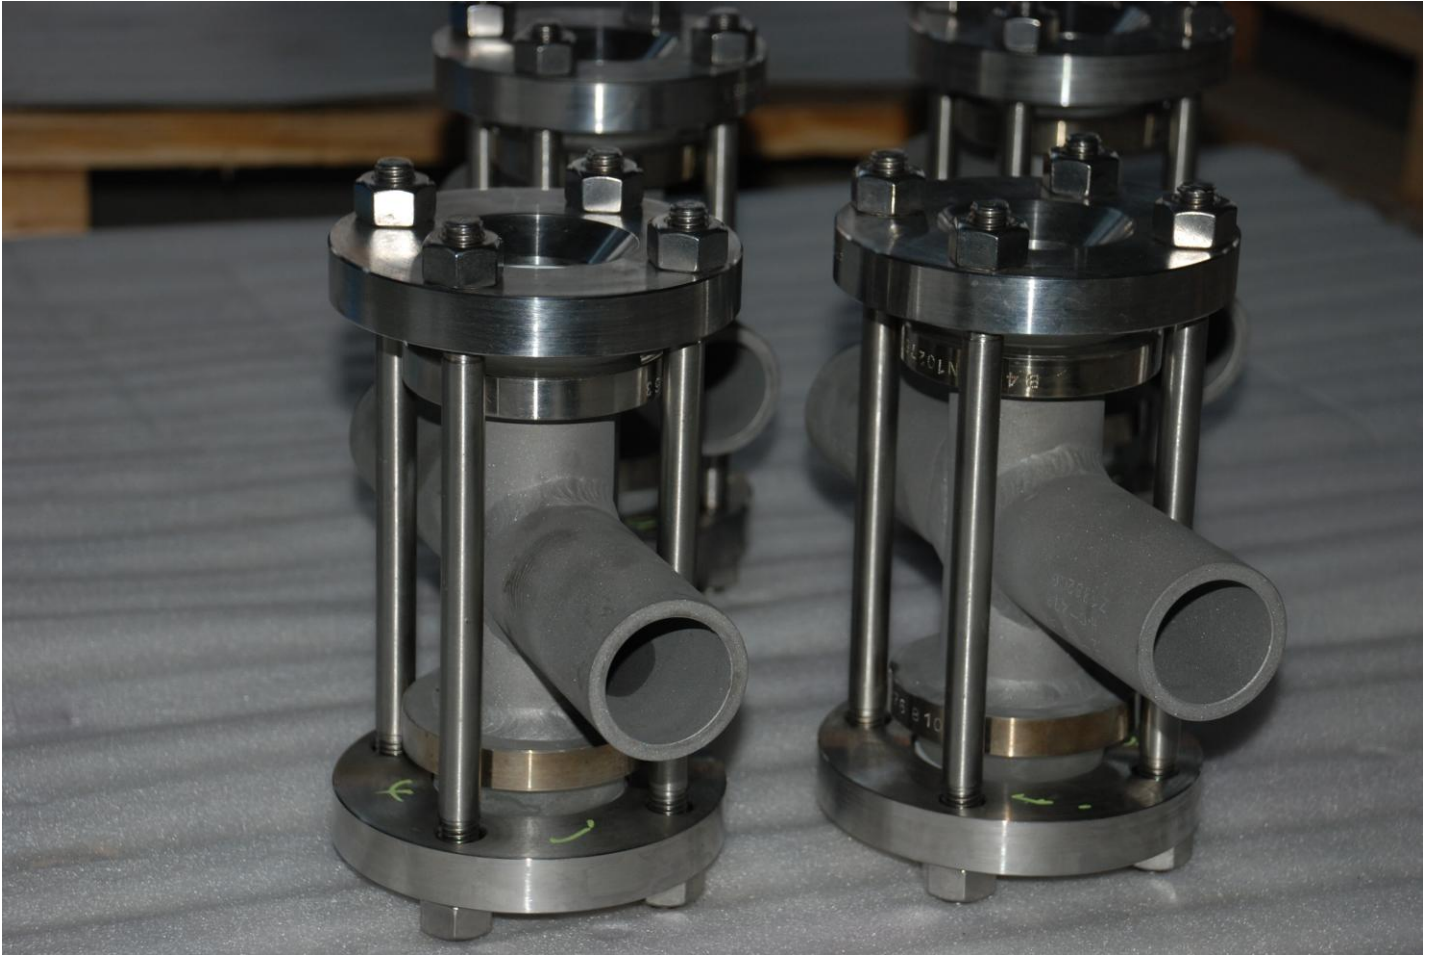

b) Zirconium 3-Way Plug Valve

c) Cryogenic Valve

d) Hastelloy Sight Glass

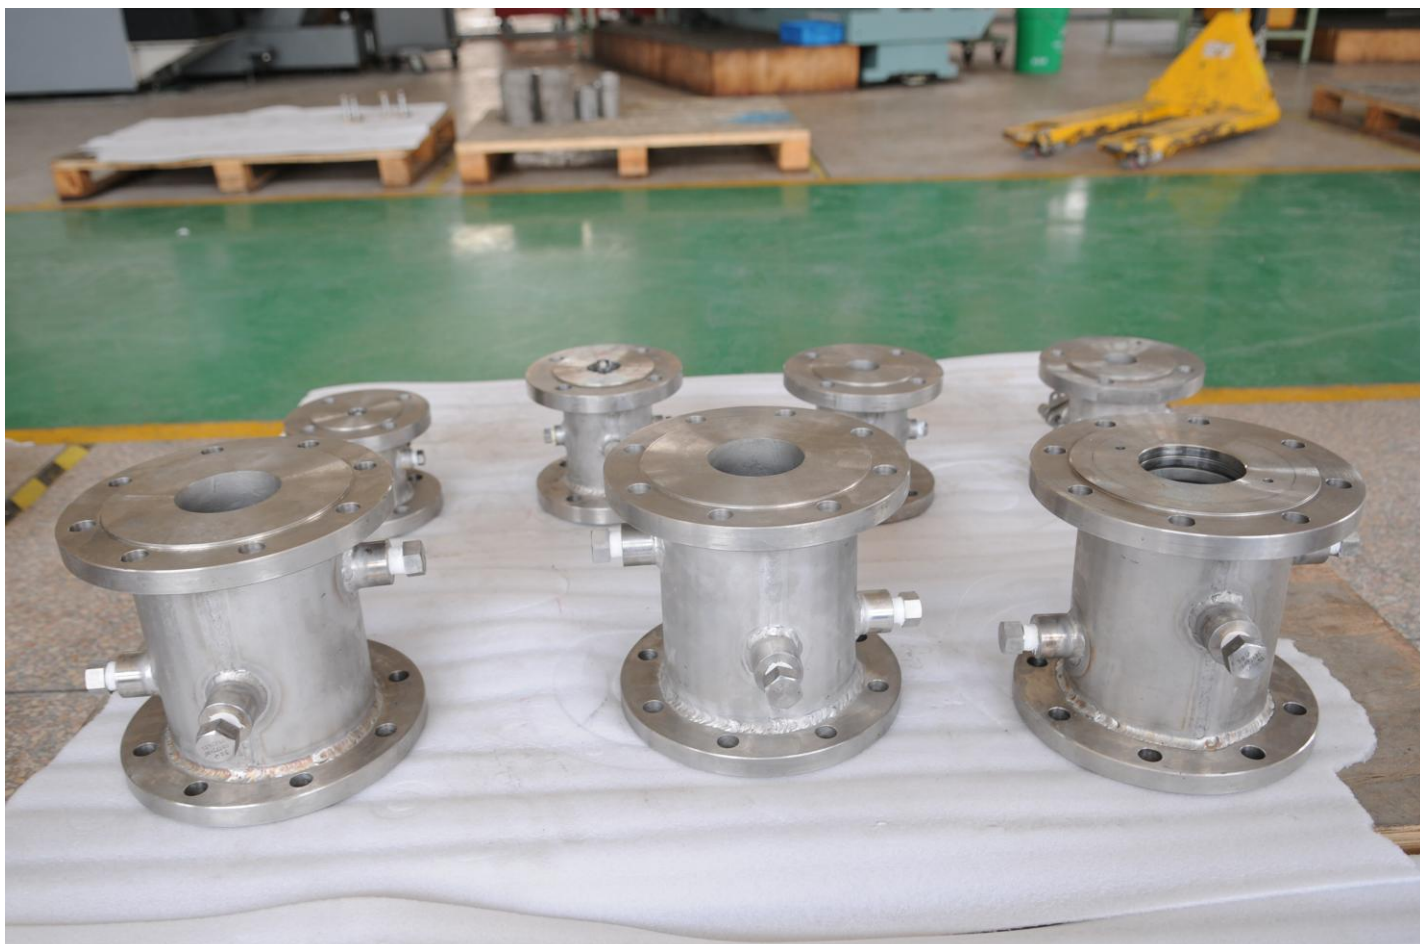

e) Hastelloy Strainer

f) Hastelloy Strainer

g) Jacketed Valve

h) Sight Glass

TEST And INSPECTION

A large, light gray watermark of the SANSECO logo is centered behind the main text. The logo consists of the word "SANSECO" in a bold, italicized, sans-serif font, enclosed within a stylized, curved oval shape that tapers at the ends.

SANSECO VALVE (SHANGHAI) CO., LTD.

The Best Value-Quality, Service & Pirce-All the Time

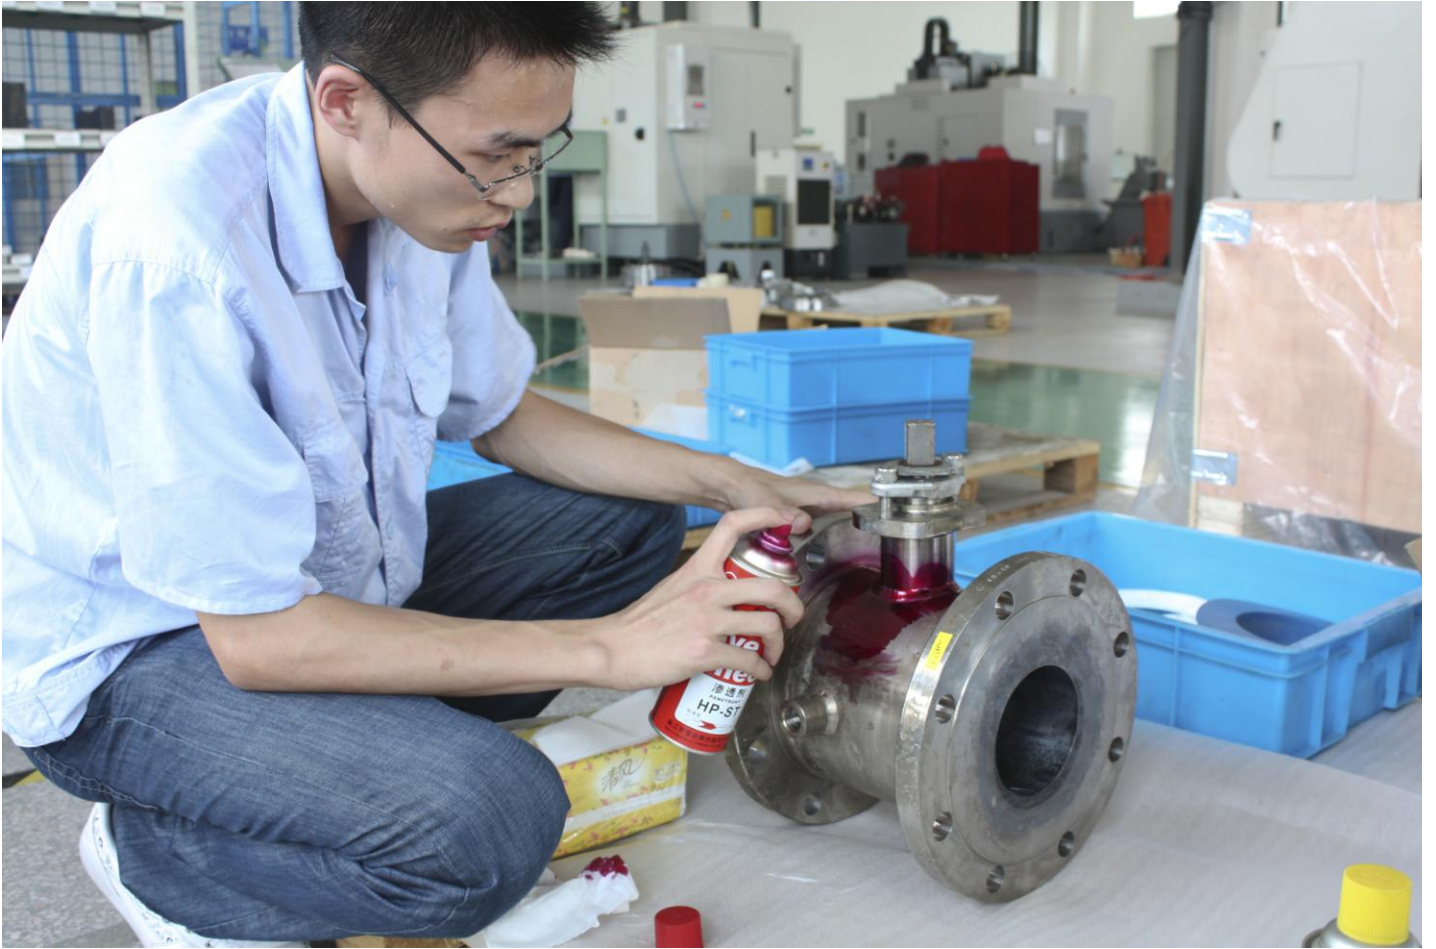

a) Hardness Test

b) PMI

c) PT

d) Wall Thickness Test

e) Pressure Test

f) Seal Test

g) Tensile Test

h) Industrial Purifying Water System for Pressure Test

i) High Temperature Testing Device

j) Ultrasonic Cleaning

MACHINING And MACHINERY

A large, light gray watermark of the SANSECO logo is centered behind the main text. The logo consists of the word "SANSECO" in a bold, italicized, sans-serif font, enclosed within a stylized, curved oval shape that tapers at the ends.

SANSECO VALVE (SHANGHAI) CO., LTD.

The Best Value-Quality, Service & Pirce-All the Time

a) Processing Machinery

b) Processing Machinery

c) CNC Programming

d) CNC Programming

PACKAGE

SANSECO VALVE (SHANGHAI) CO., LTD.

The Best Value-Quality, Service & Pirce-All the Time

a) Handwheel

b) Wooden Box

c) Wooden Box

d) Package for OEM Brand

e) Package for OEM Brand
